Syllabus and Schedule for Cycling Course for Families

Registration and bike/helmet checks

Trainees should allow plenty of time to register and for all bikes and helmets to be checked.

Instructors will ask trainees for information regarding their experience & ability and will put trainees into groups of 4-6, depending on numbers.

IN SMALL GROUPS

1. Cycle control skills – mainly aimed at the children, but a useful refresher for adults. Includes: starting and stopping, gears, emergency stops, looking behind without wobbling and signalling
2. Advice about cycling as a family – mainly aimed at the Mums and Dads. Includes: what to wear and take on a family ride, cycling as a group off road and an introduction to cycling as a family/group on road

Topics to be covered in families/groups

- Bike checks by the trainees
